Dear Friends:

Snow Patrol,
MGMT Call For Lyrical Collaboration

I've recently teamed up with a popular industry Lyricist and Producer to pen new material ala Snow Patrol, MGMT, etc for submission to a high profile A&R group. The writing, and tracking sessions ended JUST TONIGHT.

I wanted you to be the first to hear the new track as performed by AshBoxClay.

Although the new music is slated for submission to an A&R group, nothing is in ink yet and I'm still offering first "dibs" to you and your artist.

Let's Make A Deal OK
!!!

Toodles, and God Bless

Sincerely
Joe Kirsch
