Dear Friends:

Just a reminder that it's a great time to take care of your last minute HOLIDAY MUSIC LICENSING NEEDS. Here's a little something for your HOLIDAY & SPECIAL OCCASION COMPILATION needs:

KARAMU,
THE KWANZAA SONG
UNDERGOES REMIX:

The definitive Kwanzaa celebration song, coined as "The Jingle Bells Of Kwanzaa" was remixed at the JK studio in NYC in preparation for its anticipated 2008-2009 Broadcast Schedule.

A combination of African celebration rhythms, and Disney-esque production makes this a MUST for your HOLIDAY or SPECIAL OCCASION catalog.
